December 22, 2010

Dear Mrs. Bernard,

I am a grade 5 teacher at Hamiota Elementary, and for the past number of years (10+) our school has run a curling program for all grade 5 students. This program has been run by Mr. Randy Lints who instructs the students for five or six lessons and then offers an after school program for students in grades 5-8 at no cost. At the end of our sessions he has provided jackets, gloves, or toques for the students, a generous donation sponsored by either Asham or yourself. I would just like to say thank-you on behalf of all of the students who have benefited from your generous donations over the past years. I have enclosed a picture of this year's class sporting their new apparel.

Many thanks, and have a very Merry Christmas!

Sincerely,

Debbie Routledge
(classroom teacher)
